

# ARE YOU READY?

One of my favorite songs over the years has been, “**Are You Ready?**” Not so much for the content of the song, but for the question itself. There are a lot of scary and strange things going on the world **RIGHT NOW!** Everyone should know the world is facing many challenges and everyone does not handle challenges well. So, we need to be **READY** for the unexpected. In America these concerns became a video for **Black Americans**, but the *entire* **DIASPORA** should be **READY** and making preparations. Different places will experience *different* things. Get ready for what will come.
